Solve.

- 101) **8** Five red plums and three green plums are in the basket. How many plums are in the basket?
- 102) **4** Brian has one peach and Amy has three peaches. How many peaches do Brian and Amy have together?
- 103) **12** Eight balls are in the basket. Four more balls are put in the basket. How many balls are in the basket now?
- 104) **9** Jake has five more balls than Allan. Allan has four balls. How many balls does Jake have?
- 105) **14** Audrey has five peaches and Michele has nine peaches. How many peaches do Audrey and Michele have together?
- 106) **6** Donald has five apples and Adam has one apple. How many apples do Donald and Adam have together?

- 107) 10 Seven red marbles and three green marbles are in the basket. How many marbles are in the basket?
- 108) 15 Jake has eight more oranges than Steven. Steven has seven oranges. How many oranges does Jake have?
- 109) 9 Five red peaches and four green peaches are in the basket. How many peaches are in the basket?
- 110) 3 One red peach and two green peaches are in the basket. How many peaches are in the basket?

Solve.

- 111) 4 Eight plums are in the basket. Four plums are taken out of the basket. How many plums are in the basket now?
- 112) 3 Three plums were in the basket. Some of the plums were removed from the basket. Now there are zero plums. How many plums were removed from the basket?
- 113) 2 Nine apples were in the basket. Some of the apples were removed from the basket. Now there are seven apples. How many apples were removed from the basket?
- 114) 1 Nine balls are in the basket. Eight balls are taken out of the basket. How many balls are in the basket now?

- 115) 0 Four plums are in the basket. Four are red and the rest are green. How many plums are green?
- 116) 2 Four apples were in the basket. Some of the apples were removed from the basket. Now there are two apples. How many apples were removed from the basket?
- 117) 7 Nine balls are in the basket. Two balls are taken out of the basket. How many balls are in the basket now?
- 118) 1 Three plums are in the basket. Two plums are taken out of the basket. How many plums are in the basket now?
- 119) 2 Five oranges were in the basket. Some of the oranges were removed from the basket. Now there are three oranges. How many oranges were removed from the basket?
- 120) 4 Billy has three marbles. Sharon has seven marbles. How many more marbles does Sharon have than Billy?
